

Taylor and Francis offers more than 16,000 eBook titles in the humanities, social sciences, behavioral sciences and STM from some of the world's leading imprints.

### Features:

- Quick Search across all metadata; Advanced Search across all full text
- Run and save searches or create e-mail alerts
- Chapter level DOIs
- Book abstracts and TOC listings available via CrossRef
- Athens compliant
- COUNTER-compliant usage statistics available at no additional charge
- Chapters viewable, downloadable and printable in PDF format.

### Benefits:

- Immediate access from any desktop via IP authentication or username and password
- Each title can be viewed simultaneously by five users; an online reservation system is provided in the event someone is unable to access a title
- Users can print or copy up to five percent of any title within the subscription.

### Why Order Through EBSCO?

By purchasing your eBooks through EBSCO, you receive the same time-saving services that are provided when you order your electronic and print journals through us. Additional benefits include:

- cross-content searching and linking, enabled through the addition of eBook metadata to EBSCOhost® research databases;
- superior customer service ensuring that you deal directly with an experienced professional familiar with your account;
- itemized invoices in electronic format for automated loading into your integrated library system;
- eBooks on EBSCO A-to-Z®. The A-to-Z title wizard will include eBook packages. As a result, library administrators will have the capability of selecting all the eBooks from packages to which they subscribe;
- EBSCO's e-package expertise. Publishers are combining their e-journal and eBook packages into one integrated platform. EBSCO's success in handling e-resources continues to serve as the industry gold standard. You know our track record of success. Doesn't it make sense to order your eBooks from the best?
